*Miscellaneous Series (KB) is a REGISTRY OLD SERIES comprised of documents for a cluster of land in the '21 abstract book series'. These properties eg White River Station Grounds were carved out of or patented separately from the township surveys.*

*Odd number Series (O) is a Registry OLD SERIES before the "R" series comprised of old city documents contained in the Odd Number Series copy books. This series appears to be a broken series with the RY series. If you are not successful in retrieving your document as an RY then ask DSC to try it with an O prefix. When requesting these documents ask DSC to refer to Ann Lundy (Deputy LR) for assistance.*

*If the document has a suffix ½ enter as Y suffix; if suffix is ¼ enter as V suffix.*
