TP1NSP	North and South Plantagenet				

1. This series of plans is filed as if they are two distinct plan series but they are actually only one. The drawers are labeled "Subdivision Plans" and "Highway Plans" as if they are separate series. The series appears to be broken because some of the registered plans of subdivision were removed from the LRO with the corresponding books when the lands were converted to Land Titles and new Geographics created by the registration, under the Land Titles Act, of Judges Plans.

2. The Boundaries Act plans are also M-Plans. They are dual purpose plans that have two numbers. (ie. A M-number and a BA-number)
